Re: Follow-up on my Amendment  
and Address Change

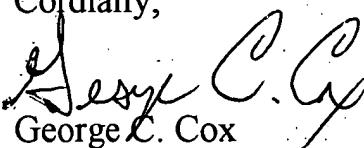

Ms. Susanna Meinecke Diaz:

1. Please accept my letter to serve as a follow-up on the status of my filed amendments and to accept your instructions on what else, if anything might be needed from me. I am a pro-se indigent applicant and small business filer.
2. I read all the time that you are all under-staffed and under pressure at work, so I exercise patience. Also under pressure, I rush and sometimes overlook, the agency's requirements, and uncommonly, my deadlines.
3. In closing, please accept my letter as a demonstration of my on-going and active involvement to avoid abandonment, as to have a patent issued in my name soon, so that I may one day bring my invention to market. Please advise.
